MATHEWSONS EXPORTS & IMPORTS (P) LTD.

An ISO Certified & Govt. of India Recognized Export House

ABOUT US

Mathewsons group is a conglomerate of various business organizations having a common vision and values. Its headquarters is in Cochin, INDIA. It has an alliance with various reputed International Manufacturers and has a global market presence.

The Mathewsons Group has diversified interests in Foreign Trade, high-quality Consumer Goods, and Building Materials. Mathewsons is also actively engaged in Property Development projects and has a state-of-the-art manufacturing facility for Frozen food Processing. It has a legacy of business experience of more than 44 years.

Ever since 1978, when the foundation of Mathewsons was laid by the late Mattamana Kuriakose Mathew(M. K. Mathew), an entrepreneur, we have over the years built a reputation for honesty, reliability, and quality - our enduring beliefs(HRQ).

It's no coincidence that we've always been highly regarded for these qualities. Team members have worked hard over the last 44 years to maintain that reputation through honest and reliable conduct. Maintaining our values - our most priceless asset is vital to our continued growth and success. Mathewsons adheres to best practices in respective industries with conformation and compliance to International Standards.

Mathewsons are synonymous with core values **HRQ Honesty Reliability and Quality**. Similarly, our motto is **Creating Better Lives**, to whomsoever we associate.

The Electric Vehicle

An aerial photograph of a tropical resort featuring several wooden bungalows with thatched roofs built on stilts over clear turquoise water. The bungalows are arranged in a row, with some having private decks and ladders leading down to the water. In the background, there are lush green palm trees and a clear blue sky with wispy white clouds. The overall scene is serene and idyllic, typical of a high-end tropical vacation spot.
