COCONUT SHELL

CHARCOAL

HEXAGON BRIQUETTES

MATS Charcoal is procured from 100% natural coconut shell. There are no toxic chemical substances used. It is long lasting, natural and eco friendly.

Suggestion For Use

We recommend not to use startup flame to light up to avoid aftertaste or odor. Expose the MATS Charcoal to constant flame for a few minutes. After a few minutes, it will begin to glow grey and then orange.

SPECIFICATION

Hexagonal Shape, 6 Inches Length

Diameter: 50mm

Centre Holes: 10mm

Burning Time: 4-6 Hrs

Ash Content: 15%

Ash Colour: Silver White

Fixed Carbon: 55 - 60%
